### REMARKS

The specification has been amended to claim priority to the identified PCT, European, and U. S. Provisional patent applications and to amend the claims and specification to better conform to U.S. practice. The amendments to the claims are based on the claims as set forth in the International Preliminary Examination Report, which is submitted herewith.

Please enter this amendment prior to calculating the fee in this case. Applicant respectfully requests substantive examination on the merits.

Respectfully submitted,

D. Scott Moore
